

FREE OUTDOOR FAMILY
MOVIE
NIGHT
and KIDS PAJAMA PARTY

How Our Movies & FREE Pajama Contest Work...

- Movies will be shown on the large grass area next to Green Acres Ice Cream.
- Parking is limited; please arrive early to guarantee a parking spot.
- Please bring your own lawn chairs and blankets.
- In the front, there is a “Blanket Only” area. Please limit this area to blankets only. No small chairs or pillow chairs will be permitted inside this area.
- Movies start when it is DARK ENOUGH to view them on our Large Outdoor Movie Screen. (Just like the drive-in). Times will vary depending on the time of year and cloud cover.
- People start arriving up to 2 hours before the movie start time so they can get great spots to view the movie and to avoid any parking troubles. Many people, after placing their chairs and blankets, will get ice cream or play miniature golf.
- Starting an hour and a half before the movie starts, our photographer will start taking photos.
- During the photos, the photographer will also be on the lookout for contest “Nominees”.
- There are 10 nominee slips for each prize category. “Cutest Pajamas”, “Best Socks or Slippers” and “Best Themed Pajamas”.
- When all nominee slips are gone, no one else will be nominated. If you arrive within the last half hour before the movie starts, chances are it will be too late to participate in the pajama contest.
- We do TRY our best to nominate different kids on different weeks so over the course of the summer series; the most kids will get a chance to come up.
- About 15 minutes before the movie starts, we will call up the nominees for each category.
- Each nominee slip is numbered. 2 numbers will be randomly drawn to determine the winners for each category.
